Veterans of Modern Warfare, **VMW**, is a Veterans service organization dedicated to serving our nation's most recent Veterans and the only organization forming locally based chapters for the newest era of Veterans. Our purpose is to support you and your families by providing education and information about the benefits you have earned, assistance in obtaining your benefits, and advocacy in issues important to our generation.

Membership to **VMW** is open to current active duty Service Members, National Guard, Reserve and Coast Guard service members and any Veteran of the United States Armed Forces who has served since August 2, 1990. VMW is offering free membership until July 2008.

Our associate organization, Associates of Modern Warfare, **AVMW** welcomes family, friends and all supporters of our Veterans of modern wars to join our efforts and work side-by-side with us on our journey to get all the way back home.

VMW is working to provide you with the most up-to-date information about our organization and our chapters being formed across the country.

We encourage you to join others who share your experiences, your exposures and your journey to get all the way home again by becoming a member of Veterans of Modern Warfare.
